### **The Wedding Book**

Using the latest digital technology, a team of Italian designers creates and publishes a timeless picture book of your wedding. With stunning layouts and subtle design effects this real book featuring at least 120 images will become a priceless family heirloom.

**From £2595**

### **And an option**

Including two smaller identical copies of The Wedding Book for parents, and eight miniature copies (must be ordered before the wedding)

**From £3595**

*Anna takes a documentary approach to wedding photography, but still takes the essential formal group shots. Approximately 600 pictures will be taken depending on the style of the wedding. All the albums are crafted to tell the story of the day with an abundance of images presented in mixed sizes. Anna is using the world's best digital cameras which means you will be able to preview pictures as they are being taken!*

**All prices above include photographic coverage from the bride's home, through to the speeches and first dance at night, presented in an album. Reasonable travel and accommodation costs will be incurred for weddings at a distance from Aberdeen. Prices are inclusive of VAT.**

*Anna personally chooses the images, and designs a documentary-style album to capture the emotion and events of the day. A key of the photographs is included with the album if anyone wishes to order any copies from the album. Prints may also be ordered from the website [www.annahenly.com](http://www.annahenly.com), which may show additional images from the wedding.*

### **Small civil ceremonies – midweek only**

**£500**
