PRICE

Please note flight and accommodation prices are foreseeable estimates and may change prior to final booking, subject to currency fluctuations and availability.

Please be aware that our flights can not be confirmed until they are on sale, and costs have been confirmed by the airline. **At this point our final tour price will be confirmed.**

Payment Schedule

Please contact Anna to make a reservation.

The course price has been worked out based on a group size of 10, still to be confirmed when flights are on sale.

In the first instance a REFUNDABLE deposit of £150 (by BACS to Anna Henly) is required to reserve your place. Once the flights are released in April there will be a NON-REFUNDABLE deposit of £300 required by Discover the World to BOOK and PAY for our flights.

Before we go ahead with this non-refundable deposit we need to have an intrepid group of 10, or work out a revised cost per head for a smaller group, or reschedule the trip for 2018. (If the trip is viable Anna will forward your initial deposit of £150 to Discover the World, and you will need to pay a further £150 direct to the tour operator. Full passport names and dates of birth will be required at this stage. A third deposit of £100 will be required 10 weeks later. The final balance is to be received by Discover the World no later than 10 weeks before departure.
